Krista Bradley
Meeker Middle School

Dear Krista Bradley,

Just over a month ago, Kent School District hosted almost 100 visitors at the NSBA Education Technology Site Visit. The people who attended have let us know how much they learned from us and how much they appreciated the chance to come to Kent. You were a part of making their visit successful.

Thank you for your participation in the site visit; you helped make it a spectacular event for our guests.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Grohe".

Dr. Barbara Grohe
