

Redfins place annual Los

Chowchilla Redfins Swim Club travelled to Los Banos June 24 for the Annual Los Banos Sprints Invitational Swim Meet and faced the toughest competition of the 1995 season.

Results of five-days-a-week practices surfaced when some of the Redfins showed they were second to none in the central valley.

Matt Acree turned in a stellar performance for the day. When all the splashing was done, he emerged as high-point swimmer in the 9-10 boys age group for the meet.

The Redfins swimmers have represented Chowchilla well in their meets around the valley at Los Banos, placing sixth out of eight more experienced teams.

Head Coach Krista Bradley expressed pleasure with the progress of the swimmers and is looking forward to completing the season with significant improvement in all the swimmers.
